

ACCESSIBILITY STATEMENT

GENERAL

BIOPHARMAX makes its best efforts and invests many resources in order to provide all our customers with an equal, respectable, accessible and professional service.

The accessibility adjustments on our website were made in accordance with the requirements of the Equal Rights Regulations for Persons with Disabilities (Accessibility Adjustments), 2013, Israeli Standard I.S. 5568 that is based on the WCAG 2.0 guidelines to an AA level and subject to changes and adaptations made in the Israeli Standards document.

The accessibility adjustment is performed by ENABLE, a company that specializes in websites accessibility, and has been tested in the leading browsers such as Firefox and Chrome in their latest versions.

HOW THE WEBSITE WAS MADE ACCESSIBLE

- An icon appears at the bottom of the screen. Clicking on the icon or pressing the Esc key will open a bar with various accessibility buttons.
- The website is accessible, among other things, for use via the keyboard (by pressing the arrow keys, Enter and Esc) as well as by using the Tab keys to switch between the various components on the site back and forth.
- Textual description of images and icons for assistive technologies.
- Accessibility of menus, forms, header hierarchy, tab components, pop-ups, and more.

We try to keep and maintain the site at the best level. If you have found and/or encountered difficulties browsing the site, feel free to report this to me at the e-mail address info@biopharmax.com Or telephone number [09-9716111](tel:09-9716111).

We'll take care of the problem and get back to promptly with the details.
